

社區參與 Community Engagement

年度內，來自社區參與的收入為1,397萬港元，相當於體院經常開支的3.78%，較去年增加2%。體院課程的收益依然是主要的社區參與收入來源，其餘收入則來自飲食服務、出租設施、停車場收費、企業活動和體育旅舍。

During the year under review, a total of HK\$13.97 million in community engagement income was generated, representing 3.78% of the HKSI's total expenditure and a 2% increase over last year's figure. Revenue generated from HKSI courses remained the major source of community engagement income. Other sources of income included catering services, facility rentals, car park fees, corporate events and sports residence.

體院舉辦不同項目的運動課程供公眾人士參加，與社區保持聯繫。

A wide variety of sports courses were organised for the public as part of the HKSI's efforts to engage with the community.
